

Wanna go to C.A.M.P.?

Have you ever wondered what those “other counties” are doing at Las Posadas?

Would you like to share all the wonderful things *your* county does at Las Posadas?

C.A.M.P. (Creating A Memorable Program) is just the place to learn, share and improve our 4-H camp programs. If you are interested in making C.A.M.P. happen again, please contact Diane Billeci so we can start planning!
